Where is the Sniffer10G API documentation?

Model:

ARC Series C Adapters (10G-PCIE2-8C2-2S)

Software:

Sniffer10G, Version 2 & 3

Operating System:

Supports both Linux and Windows Operating Systems.

Information:

The **Sniffer10G API Documentation** can be found in PDF format on the **Sniffer Group Portal** and in PDF and HTML format in the software distribution, **/opt/snf/share/doc/.**

Example programs using the Sniffer10G v2 and v3 API are provided in the Sniffer10G software distribution. The Sniffer10G test/ example programs are available from /opt/snf/bin/tests of the install directory in binary form and in /opt/snif/share/examples in source form.
