

How do I determine the Serial Number or Mac address of CSPI products?

Model:

ARC Series E Adapters

Software:

N/A

Operating System:

N/A

Information:

General Products:

The serial number and MAC address for a CSPI product will be located on a white label on the front or back of the hardware.

The serial number is a 5-12-digit number (prefixed by SN).

The MAC address starts with 00:60: dd.
